

Emergence – Preparing for The New Normal

Rick A. Morris

Date: 20.05.2020

Leadership Institute Master Class – Virtual Conference 2020

How to Emerge

- Take a personal inventory (dreams)
- Take a honest inventory (skills and potential)
- Practice what we preach....to ourselves (project management processes)
- Take a fears inventory (nightmares)

Tips for The New Normal

- Create a WBS on your dreams
- Identify how to grow your skills
- Model the behavior
- Do the “time” things
- Bring knowledge and influence to apply
